Secretary of State-Brian Kemp, Division Director-Lisa Durden, and State Representative-Ed Rynder addressed the Board. The Division Director, Lisa Durden asked the Board to reconsider combining with the Barber Board, since both have similar laws and rules. She reminded the Board this issue was brought up with the Boards last year and the Cosmetology Board decided it couldn't combine with the Barber Board at that time. Mrs. Durden explained the combining of the Boards would help streamline operations, help with inspection issues and would help with complaints received in the office that do not clearly identify whether it is for the Barber or Cosmetology Board. She explained combining Boards would alleviate some of the administrative burden currently placed on staff and it would help with the backlog of citation cases that need hearings scheduled. She informed the Board of some of the things the Barber Board is doing to help with their backlog of citation hearing. Cynthia Stein responded and stated the Cosmetology Board is in the process of revising its Rules in order to reduce their fine amounts, as well. Mrs. Durden asked the Board to consider appointing a Board member to work with a committee which would look at the two Boards combining. Mrs. Durden informed the Board that the Registered Nurses and Licensed Practical Nurses have decided to combine Boards and their new Board would go into effective July 2014 and asked the Cosmetology Board to consider combining with the Barber Board. Secretary of State, Brian Kemp addressed the Board and explained he is looking at ways to make the Professional Licensing Boards Division more efficient and explained that state government as a whole is looking at doing more with less. He asked the Board to consider combining with the Barber Board in order to streamline processes and be more efficient. He thanked the Board for their hard work and stated he appreciates all they are doing. State Representative, Ed Rynder addressed the Board regarding the House Study Committee on Professional Licensing Boards. He informed the Board the Committee is looking at how to make things as efficient as possible and will take these type things seriously. He informed the Board of the questionnaire that was sent out to all Boards requesting information and

encouraged the Board to complete the questionnaire. He also informed them of dates the Committee would be having meetings to talk with the Secretary of State Office and with all of the Professional Licensing Boards. Mr. Rynder asked the Board to consider selecting someone as a contact person for the Committee, so after the meetings if they have additional questions they will have a person to contact.

Division Director, Lisa Durden also mentioned that many calls have been received from the legislators regarding Cosmetology fines. She stated that she understood the Board is working on revising their rule and thanked the Board for this effort.

Kathy McCaffrey motioned, Sarah Scott seconded and the Board voted unanimously to appoint DRee Church-Krohn as the point of contact for the House Study Committee on Professional Licensing Boards and as the Board representative to sit on the Committee which will be looking at the Barber and Cosmetology Board combining.

The Board reviewed an inquiry received regarding the use of anti-aging treatments. The Board states anti-aging treatments are acceptable as long as they are in compliance O.C.G.A. § 43-10-1. (5) (A-D). DRee Church-Krohn stated anti-aging treatments can also be found over the counter.

The Board reviewed a letter from NIC regarding revisions to the provisions of Article XV of NIC's Bylaws. The Georgia Board of Cosmetology is in agreement with the revision; however it will not be able to vote on the revision at the NIC meeting in Denver, Colorado in August because they are unable to send a representative to the meeting.

The Board reviewed an informational notice from Michaels School of Beauty stating they will be closing school doors in September 2013.

Cynthia Stein discussed with the Board adding additional Board meeting days for Citation Hearings. The Board decided to add October 28, 2013 and December 2, 2013 as full board meetings days for citation hearings only.

Board Chair, Cynthia Stein, discussed the list of CE Policy updates. She will forward the final list to Executive Director, Deborah Beard to compile for review at the next Board meeting.

The Board opened the floor for Public Comment. Teresa McComb addressed the Board about appearing before the Board to get a resolution to her previous request to have online courses. She has previously met with the Board regarding this issue. Teresa McComb was informed she is on the agenda for the next Board meeting. Vanessa King addressed the Board regarding concerns she had about schools and the Board informed her it may be best to request an appearance, so they could allow time to fully address her concerns. She was informed of the process of how to file a request for an appearance.

*Betty Carlisle motioned, Alice Dover seconded and the Board voted unanimously to enter into executive session in accordance with O.C.G.A. §43-1-2(k) and 43-1-9(h) to discuss applications, complaints and pending cases.*

*The Board broke for lunch in Executive Session and did not vote on items discussed in Executive Session until after Citation Hearings were completed.*

## CITATION HEARINGS

The Board returned from lunch and Cynthia Stein, Chairperson, declared the Board back in open session to conduct citation hearings.

*Cynthia Stein made a motion, Alice Dover seconded, and the Board voted unanimously to enter Executive Session in accordance with O.C.G.A. §43-1-2(k) and 43-1-9(h) to deliberate information received during the Hearings and to discuss applications, complaints and pending cases.*
